PROFILE

I am a dedicated third-year Computer Engineering student with a solid foundation in computer science principles and a diploma in Computer Engineering. My academic journey has been enriched with a keen interest in web and app development, coupled with hands-on industrial training in Django and Python. I am seeking to apply my skills and knowledge in a challenging and dynamic environment where I can contribute to innovative projects and continue to grow professionally.

TRAINING & INTERNSHIP

Heuristic Technopark

MAY 23-JUL 23

Python Django

- Gained practical experience in Django during my internship at Heuristic Technopark, working on various web applications.
- Learned teamwork and project management through collaborative development efforts
- E-commerce Jewelry Web App: Contributed to the development of a major project, an e-commerce jewelry web application

InternPe

Jun 24-Jul 24

Python

- During my remote Python internship, I developed projects using Tkinter, gaining hands-on experience in GUI development, problem-solving, and remote collaboration.

EDUCATION

Computer Engineering

2024-- 2027

Nutan Maharashtra Institute of Engineering & Technology, Talegaon

2nd Year :

SGPA: 9.05

Diploma in Computer Engineering

2021-- 2024

Government Polytechnic Jalgaon

Percentage - 89.43
